### DAY 1

You are leaving the glitter of Las Vegas and are in for a very challenging ride into Death Valley, the hottest place on earth! ### DAY 2

Ride back to Death Valley Junction and pick up Hwy 127, which will take you all the way down to Baker. Continue across Mojave National Preserve and then head over to Needles. You cross the Colorado River and enter the state of Arizona. I-40 will take you all the way into Kingman, the “Heart of Old Route 66”. Overnight.

### DAY 3

From Kingman take Hwy 93 and head north toward Hoover Dam, one of the largest man-made lakes in the United States and one of the highest concrete dams ever constructed. Visit Lake Mead and return into Las Vegas, where you return your motorcycle.
