

HELPFUL HINTS FOR SPECTATORS

The Bonneville Speedway is located approximately 88 miles west of Salt Lake City, UT right off Interstate 80. Wendover is the closest town to the salt flats for accommodations, food, casinos & night life.

The spectacular scenery and racing conditions at Bonneville make it one of the most popular areas in the world for speed. Transportation from Salt Lake City to Wendover is available from downtown Salt Lake at the Red Lion Hotel: Lebus 1-800-366-0288 LeBus Web Site Speed Week consists of seven days of racing in August.

ALL vehicles are allowed to run every day, weather and conditions permitting. There are no special days for motorcycles or cars, etc. There is no camping ON the salt. EVERYONE must exit the salt at dusk. Private campgrounds and hookups are available in nearby Wendover. Free camping on BLM land west of the salt near bend of the road. You can purchase entry passes daily/weekly at the entrance to the salt.

Spectators are allowed to walk through the pits, view the vehicles, and talk to the drivers and crew members. Public parking is south of the pit area, on the west side of the race track, outside of the cones. Be sure to bring a hat, and shade from the sun. If you intend to set up a 'semi-permanent' spectator area, you must secure a tarp as a floor covering on the salt. Don't forget your camera because you will want to remember everything you see. Binoculars are also a great idea since the race vehicles are at least 1/4 mile away as they travel down the course.

Speed Week is held on the Bonneville Salt Flats, only two hours from Salt Lake City and just 15 minutes from Wendover, Utah, on the I-80 national highway. The facility is easily accessed from the Bonneville Speedway exit. **Entry is available on site with \$20 day passes. Week passes cost just \$50.**

Spectators, racers and crews are supported by a variety of local and out-of-state vendors offering food, drinks, racing safety equipment, sunglasses and more. The SCTA-BNI sells their exclusively-branded merchandise and souvenirs at the event and on their SCTA-BNI website. Specific details for the event, including up-to-date event status, maps, schedules and general information can be found at www.scta-bni.org.

Hotel and accommodation information is available through the Wendover Tourism and Convention Bureau, 1-775-664-3138 or Toll Free 1-866-299-2489.

Please pick up ALL of your trash and take it with you—everyday. There will be dumpsters provided near the pit area. The colors, excitement, people and smells are some of the reasons we race addicts return to the salt, year after year. Better known as "Salt Fever." CATCH IT!
